

## Product Specification Sheet

### Targus 9" Sport Portable DVD Player Case

Part #: DVD301

#### Product Description:

The Sport Portable DVD Player Case offers you a secure storage solution for your portable DVD player. This Sport Case holds up to a 9 inch DVD player while allowing you to use the player without removing it from the case. The case features non-woven pockets that hold up to 8 DVD disks and an external zippered pocket to hold accessories like power cords and headphones. And your DVD player is secured in place by a security strap along with extra padding for added protection. There's even a handy adjustable suspension shoulder strap for easy carrying.
